INSIDE INFORMATION – REGISTRATION AS A REGULATED AIR CARGO SCREENING FACILITY

This announcement is made by Wan Leader International Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10(2)(a) of the Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

Reference is made to the announcement (the “**Announcement**”) made by the Company dated 24 October 2018 in relation to the acquisition of the two Scanners by Fu Yo Warehouse Logistics Company Limited (“**Fu Yo**”) (an indirectly wholly-owned subsidiary of the Company). Unless otherwise defined herein, capitalised terms in this announcement shall have the same meanings as those defined in the Announcement.

The board (the “**Board**”) of directors of the Company (the “**Directors**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) that, the two Scanners have been installed in our warehouse facility (the “**Facility**”) at Flat/Rm 609, 6/F, Hutchison Logistics Centre, 18 Container Port Road South, Kwai Chung, New Territories, Hong Kong (the “**HLC Warehouse**”) and, following the inspection of the Facility, the Civil Aviation Department accepted Fu Yo’s application for registration of the Facility as a Regulated Air Cargo Screening Facility (“**RACSF**”) after trading hours on 14 June 2019.

According to the requirements under the International Civil Aviation Organization's (the "ICAO") policy direction, air cargo not processed by a RACSF will be subject to 100% security screening prior to being loaded on to a commercial aircraft after 30 June 2021.

The Board considers that the successful registration of the Facility as a RACSF would enhance the Company's business development in our warehousing and related value-added services. Particularly, the Board expects that:

- (1) the Group will be able to provide new off-airport air cargo security screening services, that would satisfy the relevant regulations and requirements of the ICAO, at the Facility to other regulated agents;
- (2) the Facility will be eligible to be designated by airlines as an off-airport secured screening facilities services provider in Hong Kong; and
- (3) the Group will provide new one-stop air freight forwarding service at our HLC Warehouse, which would include the warehousing, labelling, packaging and/or palletising services currently provided at our HLC Warehouse and the said new security screening service at the Facility.

In view of the above, the Board considers that the successful registration of the Facility as a RACSF shall strengthen the commercial competitiveness of our HLC Warehouse and the related businesses of the Group.

Shareholders and potential investors should exercise caution when dealing in the securities of the Company.

By order of the Board
