POSITIVE PROFIT ALERT

This announcement is made by Wan Leader International Limited (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 17.10(2)(a) of the Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (the "**GEM Listing Rules**") and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the "**Board**") of directors (the "**Directors**") of the Company wishes to inform the shareholders (the "**Shareholders**") of the Company and potential investors of the Company that, based on the preliminary assessment of the Group's unaudited consolidated management accounts for the six months ended 30 September 2026 (the "**Review Period**") and information currently available to the Board, the Group is expected to record a profit before taxation not exceeding HK$4 million for the six months ended 30 September 2026 (as compared to a loss before taxation of approximately HK$8 million for the six months ended 30 September 2025 (the "**Previous Period**")).

The profit before tax in the Review Period was mainly attributable to the effects of:

(i) the Group's effort and strategy to achieve a significant increase for approximately 163.8% in overall turnover contributed by the Freight Forwarding and Logistics Service segment;

(ii) out of the increase in overall turnover of approximately HK$123.7 million or the increase of 163.8% in the Review Period, approximately HK$9.3 million was derived from Import Freight, a new line of logistics services the Group has commenced in April 2026;

(iii) on top of the introduction of Import Freight services, the average costs of the cargo space were lowered; and thus, the gross profit margin was up from approximately 3.10% to approximately 7.16% in the Review Period; and

(iv) reduction in finance cost also contributed to the profit before taxation when compared with the Previous Period.

The information contained in this announcement is only based on the preliminary assessment made by the Board on the Group's unaudited consolidated management accounts for the Review Period and the information currently available to the Board, which has not been confirmed or reviewed by the Company's auditor or the audit committee of the Company. As the Company is still in the process of finalising the unaudited consolidated results of the Group for the Review Period, the above information may be subject to necessary adjustments.
